

HITECH CONSTRUCTION COMPANY LIMITED

Builders & Civil Engineers

ANTI-MONEY LAUNDERING (AML) POLICY

1. Purpose

Hitech is committed to conducting all its operations with integrity, transparency, and in compliance with applicable laws. This Anti-Money Laundering (AML) Policy sets out the principles and procedures to prevent Hitech from being used to facilitate money laundering, terrorism financing, or transactions involving the proceeds of crime.

2. Scope

This policy applies to all employees, senior management, suppliers, subcontractors, consultants, and any third parties working with or on behalf of Hitech. It is relevant to all projects and financial transactions across Nigeria and internationally.

3. Policy Statement

Hitech strictly prohibits:

- Accepting or processing funds that are suspected to originate from criminal activities.
- Concealing the origins of illegally obtained funds.
- Facilitating transactions or services that assist money laundering or terrorism financing.
- Doing business with individuals or entities listed on national or international sanctions lists.

Hitech complies with Nigerian law, applicable international AML standards (e.g. FATF), and lender requirements (e.g. IFC, Equator Principles).

4. Definitions

- **Money Laundering:** The process of concealing the origins of money obtained through illegal means to make it appear legitimate.
- **Sanctioned Entity:** An individual, organization, or country subject to trade, economic, or legal restrictions under laws such as those enforced by the UN, EU, or OFAC.
- **Know Your Counterparty (KYC):** The process of verifying the identity, legitimacy, and risk profile of business partners.

5. Responsibilities

- **Executive Management:** Ensure compliance across all operations and allocate resources to enforce this policy.
- **Finance & Procurement Teams:** Conduct third-party due diligence and verify sources of funds and bank details before entering into contracts.
- **All Employees:** Report suspicious behavior, unusual payments, or cash transactions.

6. Due Diligence and Screening

Hitech shall:

- Apply **KYC procedures** for all contractors, suppliers, and consultants prior to engagement.
- Screen all third parties against **local and international sanctions lists** (UN, OFAC, EU).
- Monitor payments and transactions for unusual patterns or discrepancies.
- Reject cash payments and only use traceable banking channels.

7. Training and Awareness

Relevant staff will receive AML training at onboarding and periodically thereafter. Project managers, finance officers, and procurement staff will be trained to identify red flags and suspicious activity.

8. Reporting and Whistleblowing

HITECH CONSTRUCTION COMPANY LIMITED

Builders & Civil Engineers

All suspected money laundering activities must be reported immediately to the Managing Director or HSE Manager. Reports may also be made anonymously through the Grievance Redress Mechanism (GRM). Whistleblowers will be protected from retaliation in accordance with Hitech's Code of Conduct.

9. Enforcement

Violations of this policy may result in disciplinary action, termination of contracts, and reporting to the relevant authorities. Hitech reserves the right to suspend payments or engagement if AML concerns arise.
