

HITECH CONSTRUCTION COMPANY LIMITED

Builders & Civil Engineers

ANTI-BRIBERY AND ANTI-CORRUPTION POLICY

1. Purpose

Hitech Construction Company Ltd. ("Hitech") is committed to conducting all of its business activities ethically, transparently, and in full compliance with Nigerian and international anti-corruption laws. This policy sets out the principles and expectations that guide the company's efforts to prevent, detect, and respond to bribery and corruption in all forms.

2. Scope

This policy applies to:

- All employees (permanent, temporary, part-time, interns);
- Management and board members;
- Contractors, subcontractors, suppliers, vendors, agents, and consultants;
- Joint venture partners and any entity acting on behalf of or in partnership with Hitech.

3. Policy Statement

Hitech enforces a strict **zero-tolerance policy** towards:

- Offering, giving, soliciting, or accepting bribes or facilitation payments;
- Using company funds, resources, or assets for corrupt purposes;
- Engaging intermediaries to make improper payments on Hitech's behalf;
- Influencing public or private decision-making through improper means.

This applies across all business functions, including procurement, licensing, project approvals, contracting, recruitment, and payments.

4. Definitions

- **Bribery:** The offering, giving, receiving, or soliciting of any item of value to influence the actions of an individual in a position of power.
- **Facilitation Payment:** A small, unofficial payment made to expedite routine government actions.
- **Corruption:** Abuse of entrusted power for private gain.

5. Prohibited Activities

Hitech prohibits:

- Any form of direct or indirect bribery, including gifts or hospitality intended to influence decision-making.
- Political donations intended to gain undue advantage.
- Kickbacks or rebates as a condition of contract award.
- Collusive tendering or bid rigging.
- Falsifying documents to cover up corrupt payments.

6. Roles and Responsibilities

- **All Employees** must avoid and report bribery risks and conflicts of interest.
- **Managers and Supervisors** are expected to model ethical behavior and report misconduct.
- **Procurement, Finance, and Legal Units** must implement and monitor internal controls.
- **Third Parties** must comply with this policy through contractual clauses and be subject to due diligence.

7. Gifts, Hospitality, and Donations

HITECH CONSTRUCTION COMPANY LIMITED

Builders & Civil Engineers

Gifts and hospitality must be:

- Reasonable, infrequent, and not intended to obtain undue advantage;
- Approved by the appropriate line manager;
- Documented and declared as per company policy.

Charitable donations or sponsorships must be transparent, not linked to business advantages, and approved by executive management.

8. Due Diligence and Third-Party Screening

Hitech will:

- Conduct due diligence on all third parties before onboarding;
- Include anti-bribery clauses in all contracts;
- Monitor ongoing engagements for red flags;
- Avoid partnerships with entities known for corruption.

9. Training and Communication

- All staff must receive annual anti-corruption training.
- Targeted training is delivered to high-risk functions (e.g., procurement, project delivery).
- Contractors and suppliers are briefed on this policy and compliance requirements.

10. Reporting Violations

- Suspected violations must be reported through the grievance mechanism or directly to the HSE Manager or Managing Director.
- Whistleblowers are protected under Hitech's Code of Conduct—**retaliation is strictly prohibited**.
- All reports will be treated confidentially and investigated promptly.

11. Consequences of Non-Compliance

Violations may result in:

- Disciplinary action, including dismissal;
- Termination of contracts with third parties;
- Reporting to regulatory authorities;
- Legal proceedings under anti-corruption laws.

12. Review and Monitoring

- This policy will be reviewed every two years or upon significant legal or regulatory changes.
- Compliance will be monitored through internal audits, procurement reviews, and spot checks.
