EQUALITY, DIVERSITY, AND INCLUSION (EDI) POLICY

HITECH is committed to promoting equality, diversity, and inclusion (EDI) in all aspects of its operations. The company believes that a diverse and inclusive workforce fosters innovation, strengthens communities, and drives long-term success. This policy applies to all employees, contractors, suppliers, and stakeholders engaged in HITECH's activities.

Our Commitments

- **Equal Opportunity.** HITECH provides equal opportunities in recruitment, training, promotion, and all employment practices—regardless of gender, age, ethnicity, disability, religion, nationality, sexual orientation, marital status, or any other characteristic protected by law.
- **Inclusive Work Environment.** HITECH fosters an inclusive culture where all individuals are treated with dignity and respect. Discrimination, harassment, bullying, and victimization are not tolerated under any circumstances.
- **Women's Empowerment.** HITECH is committed to increasing female representation in all roles, including technical and leadership positions, and to ensuring that women have access to a safe, supportive, and equitable workplace.
- **Local Inclusion.** In alignment with its social commitments, HITECH promotes the inclusion of local community members, particularly from underrepresented or disadvantaged groups, through targeted hiring and training initiatives.
- **Awareness and Training.** All employees receive training and guidance on inclusive behavior, unconscious bias, and respectful workplace practices as part of onboarding and continuous development programs.
- **Accountability and Monitoring.** EDI performance is monitored through KPIs related to gender, local hiring, related grievances and awareness related to inclusiveness. Progress is reviewed regularly and reported to senior management.

Any concerns related to inequality, discrimination, or exclusion can be raised through the company's grievance mechanism. All complaints will be addressed promptly, confidentially, and without retaliation.
